

Turn Prior Disappointments into NEW APPOINTMENTS

With our appointment setters...

CASE SCENARIO

One of our producers in Texas had 24 prospects attend a webinar back in November, but she was unable to set any appointments with them. Last week, our producer turned those **24 leads over to our appointment setters and they set 6 appointments for her.**

SALES RESULTS

Our producer made two indexed annuity sales, and one case was over \$1 Million!

GOT LEADS?

Let our team set some appointments for you at no cost and help you start the year strong!

NO LEADS?

If you don't have any leads, we can help you with that, too! Call for complete details and let's talk about how you can **receive qualified leads now!**
